

## Assorted Blackburn® Die Kits

### EZ-GROUND-DIE-KIT — Die sets Kit

All the Thomas & Betts dies you need to crimp the complete T&B E-Z-Ground™ connector offering, presented in a two sided metal carrying case. The reverse side of this kit allows you to keep all your colour coded Blackburn® crimping dies in one convenient location. A cable vs die reference chart inside each cover lets you sort and organize all your Blackburn® compression connector dies for either copper or aluminum conductors. Additional compartments for cutting dies and adaptors round off this great package.
