## **What is SERVICE ?** **35**

# **SERVICE 35**

Service 35 is a new delivery commitment from Thomas & Betts for cable tray products.

**As of September 3, 2008** electrical contractors no longer have to compromise on product specifications to guarantee product availability. With Service 35, **Thomas & Betts makes shipments of 3 or 5 working days** on our most frequently ordered aluminum and steel cable tray products.

### **3 days**

#### **Aluminum Cable Tray and Fittings**

- Ladder tray – any width, any rung spacing
- Choice of two profiles and three siderail heights
- Available in two lengths
- Complete range of fittings for the above mentioned cable trays

#### **Channel Tray**

- 4-inch aluminum ventilated channel

### **5 days**

#### **Steel Cable Tray and Fittings (Hot Dip Galvanized)**

- Ladder tray – choice of 4 widths
- 12-inch rung spacing, 3 m lengths
- Wide choice of fittings

## **Shipments within 3 or 5 working days!**
