

Air, rail or road, I'm an international globetrotter. I've even been out of this world. I'm THE original. I have a firm grip on reality. I'll bend over backwards to get the job done. I'm an expert in organizational management. I can hold it all together, even under stress. Heat, cold, sun – I can take it all. And, I'm turning 50 in 2008.

Who am I?

Thomas & Betts invites you to be a part of the year-long celebration we're hosting throughout 2008 to mark the **50th birthday** of a very special product brand.

To kick off the festivities, participants who correctly identify the product brand will be entered in a weekly prize drawing throughout the month of February.

You could win a GARMIN™ StreetPilot® C340 GPS system.
