Cobra™ One-Piece Cable and Pipe Clamp
Now available in 1/4-inch size

The **Cobra™** one-piece cable and pipe clamp is now available in a 1/4-inch size, designed specifically for use with small diameter cables such as those used in fire alarm and data applications.

Combining ease of installation and simple product selection, the **Cobra** Clamp attaches a full range of EMT, rigid conduit and cable to strut channels. For maximum flexibility, the **Cobra** Clamp allows cables or pipes to be removed easily without disturbing neighbouring pipes.

EZCODE® EZL500 Thermal Label Printer
More features for your money

From its sure-grip, ergonomic design to the magnetic strap that frees up your hands, the new **EZCODE® EZL500** thermal label printer for medium-volume applications makes onsite labeling quick and trouble-free.

With built-in smarts like oversized keys and spacing, a one-touch auto cutter, Help screen and Print Preview function, the **EZL500** label printer puts all the tools you need at your fingertips. And, with a large, backlit LCD screen, even low-light environments are no problem.

For complete product details, consult the "What's New" section of our web site or www.tnb-id.ca.
