

Thomas & Betts Ltd is a proud supplier of electrical products to Syncrude Canada Ltd. For over 30 years, Syncrude Canada's facilities have included high performance products such as:

- **StarTeck**[®] teck cable fittings
- **Hazlux**[®] industrial lighting fixtures for hazardous locations and adverse environments
- **T&B Cable Tray Systems** and **Silver Grip**[™] tray cable fittings
- **Lumacell**[™] exit signage and emergency lighting

**Thank you Syncrude
for your continued support.**
