

# A Uniquely Canadian Organization

Unique climate, unique geography, unique abundance of natural resources – in 1928, **Thomas & Betts Canada Ltd** was founded to serve the unique needs of the Canadian market.

Unlike other manufacturers with Canadian divisions or sales offices controlled from the US, **Thomas & Betts Canada Ltd** is an independently-managed and operated organization responsible for Canada as well as holding global manufacturing mandates for specific product lines.

**Thomas & Betts Canada** has more than 1,800 employees from coast to coast working in:

- **Eleven manufacturing facilities** – ISO 9001: 2000 certified
- **A Master Distribution Center** in Bromont, Quebec
- **Five regional sales offices** – Atlantic, Quebec, Central, Alberta, British-Columbia
- **Head Office** in St-Jean-sur-Richelieu, Quebec
