Newest addition to our
IBERVILLE®
box family

BC1304 - LHT

Flexible and versatile!

- **Save time and effort!** Roomier box has the practical features you need to work more effectively. Clear positioning guides take the guesswork out of box installation.
- **14% added capacity!** With 14.25 cu. in. instead of the standard 12.5 cu. in., this box is able to accommodate a greater number of conductors.
- **The easiest, most accurate installation ever!** Clearly marked positioning guides for drywall and outside wall applications. Retractable positioning guides for double-drywall.

Catalogue Number	Features	Dimension (in.)	Deep (in.)	Capacity Cu. in.
BC1304-LHT	Positioning guides for outside wall and 1/2 in. drywall applications let you easily install the box at a proper distance from the edge of the stud. Both sides feature internally embossed mounting slots for greater versatility. Ears can be broken off when the boxes are used in rework applications.	3 X 2	2-1/2	14.5
