

Redesigned Family of Termination Tools Sets a New Standard for Manual Crimping Tools!

Sta-Kon®
Comfort Crimp®
Compression Tools

Replaceable dies for a wide range of insulated, non-insulated and magnet wire-type connectors

Color-coded die nests (left and right side) provided for proper crimping of insulated terminals

Patented Shure-Stake® mechanism ensures a proper crimp every time

Ergonomically advanced, soft, over-molded handle grips reduce strain and enhance user comfort

Requires the lowest handle force of any tool in its class – 25% less than previous generation of Comfort Crimp® tools

Patent-pending Crimp-Assist™ foot provides stability when work surface leverage is needed to crimp larger connectors

Sta-Kon®

**Comfort Crimp®
Compression Tools**

**The most Comfortable Crimp
Available from a Manual
Compression Tool!**

Sta-Kon® Comfort Crimp® Compression Tools set previously the standard for manual crimp tools. Now, Thomas & Betts engineers have made a great line of tools even better with the newly redesigned Sta-Kon® Comfort Crimp® Compression Tools. We kept all the performance features that made the tools industry leaders such as the Shure-Stake® mechanism and interchangeable dies with color-coded die nests and focuses on creating the best possible user experience in terms of comfort and reduction of strain.

Ergonomic handles position the user's hands correctly to minimize the risk of strain, and soft, over-molded grips cushion fingers and palm for user comfort. A new Crimp-Assist™ foot stabilizes the tool when the user needs to place it on a work surface for leverage to crimp larger connectors. Best of all, the redesigned Comfort Crimp® tools required 25% less handle force to complete the crimp cycle than the previous generation – and up to 75% less handle force than competing tools!

Requiring the lowest handle force of any tool in its class, the new Comfort Crimp® family provides maximum comfort to installers, without sacrificing the durability or performance associated with Thomas & Betts tools.

- Perfect for OEM, MRO and field use
- CSA approved and UL Listed for use with Sta-Kon® connectors
- Shure-Stake® mechanism ensures a complete crimp cycle before release for a proper crimp every time
- Color-coded die nests for easy matching with Sta-Kon® insulated terminals
- Creates integrity dots for quick verification of proper crimp
- Advanced manufacturing methods for improved durability and tool life
- Lanyard hole in handle for easy tethering to workstation
- Calibration service available through T&B Tool Services

Sta-Kon® Comfort Crimp® Termination Tools		
Cat. Number	Connector Type/Wire Range	UPC Code
ERG4001	Insulated 22-10 AWG Terminals	78620992867
ERG4002	Non-Insulated 22-10 AWG Terminals	78620992868
ERG4004	Non-Insulated 22-10 AWG Flags	78620992869
ERG4005	Non-Insulated 16-6 AWG Terminals	78620992870
ERG4006	Insulated 26-22 AWG Terminals and Insulated 22-14 AWG Disconnects	78620992871
ERG4007	Insulated 8-6 AWG Terminals (tubular)	78620992872
ERG4008	Non-Insulated 8-1/0 AWG Terminals (tubular)	78620992873
ERG4255	Heat-Shrinkable 22-10 AWG Terminals	78620992875
ERG4	26-1/0 AWG Ferrules	78620992876
