

## Special Wording

### Illuminated signage

#### Typical specifications

Custom-worded, illuminated signage is available using the same sturdy construction and electrical design as **Emergi-Lite**® exit signage.

A wide range of sign body options and colour choices are available to suit any application.

Contact your local **Emergi-Lite**® sales representative to discuss your specific requirements.

#### Features

- The same sturdy construction and electrical design used in our exit signs is used to produce our custom-worded, illuminated signage
- Sign bodies - steel, extruded and die-cast aluminum, weatherproof, flame-retardant polycarbonate, high impact thermoplastic, recessed housing
- Also available with self-powered canopy and with emergency lamps
- Custom wording – any style of lettering, any language, any alphabet, any special characters
- Graphics – logos, standard symbols, custom art
- Colour choices – sign bodies, message, faceplate panel
- Illumination – LED (light-emitting diodes) – other light sources available - consult representative
- White-out, black-out and split picture options
- **Warranty details at: [www.emergi-lite.ca](http://www.emergi-lite.ca)**

#### White-out option

#### Black-out option

Non-illuminated

Illuminated

Non-illuminated

Illuminated

When the sign is non-illuminated the acrylic panel in the faceplate appears blank white. The message appears only when the sign is illuminated.

When the sign is non-illuminated the acrylic panel in the faceplate appears black. The message appears only when the sign is illuminated.
